# About Us

Established in 2015, Max Vessels is your one-stop solution center for the design and analysis of pressure vessels, heat exchangers, reactors, columns, tanks and other static equipments. We specialize in the use of **PV-Elite** as well as **AutoCAD** and can fully comply with all the relevant standards such as **ASME Section VIII, PD 5500, EN 13445, IS 2825, API 650** and **TEMA**.

We offer clients designs as well as detailed drawings for their projects at economical prices. Most importantly however, we deliver a team of qualified, experienced and passionate engineers who ensure that your goodwill and integrity are never compromised.

Our services extend to clients throughout India and from across industry segments including but not limited to **Oil & Gas, Power, Water, Chemicals, Agriculture, Pharmaceuticals** and **Manufacturing**.

## Mission Statement

Our commitment is to uphold the goodwill and integrity of our clients by delivering a consistently high quality of design and analysis for static equipments of all types at the most competitive prices.

## Our Vision

By nurturing a team of passionate engineers to deliver even on our clients' most challenging projects, we aspire to become the global one-stop solution centre in the engineering of static equipments.

## Why Choose Us

 Absolute Precision	 Competitive Prices
 Software Expertise	 Designing as per Code
 On-time Submissions	 No Cutting Corners
 Personal Attention	 Industry-wide Services
 Experienced Professionals	 One-stop Solution Center

# Our Services

We perform design and analysis for static equipments of the following types:

- ✓ Reactors
- ✓ Separators
- ✓ Desalters
- ✓ Dehydrators
- ✓ Scrubbers
- ✓ Filters
- ✓ Surge Drums
- ✓ Lamella Clarifiers
- ✓ Flocculation Chambers
- ✓ Distillation Columns
- ✓ Stripping Columns
- ✓ Fixed Tube Heat Exchangers
- ✓ Floating Head Heat Exchangers
- ✓ Kettle Reboilers
- ✓ Reflux Condensers
- ✓ Dry Gas Coolers
- ✓ Chimneys
- ✓ Stacks

and more . . .

# Our Clients

Some of our end and intermediate clients include :

A Navratna Company

**GAREPA ENGINEERS**

## Softwares We Use

AUTODESK®  
AUTOCAD®

**PV Elite**
